

“Personalized Scrapbook Page”

Your special little one's photos are delightful when displayed on a personalized scrapbook page. Decorative stitching around stacked papers form frames for your little one's photos.

Skill Level: Beginner

Supplies:

Simplicity Sewing Machine
Personal computer with printer
12" x 12" purple check paper
12" x 12" pink dot paper
8 1/2" x 11" velum paper
12" x 12" blue paper
Green embroidery thread
6 flower shaped buttons
Scrapbook adhesive
Basic scrapbook supplies

Instructions:

1. Using a personal computer print the child's name and date of birth at the top and the poem at the bottom of the velum page.

Bottles and booties,
Bibs and more,
A new little
Someone
To love and adore!

2. Cut the velum words into two 3 1/4" square blocks.
3. Cut the pink dot paper into five 3 3/4" x 4" blocks.
4. Cut the blue paper into five 3 5/8" x 3 3/4" blocks.
5. Layer the five pink dot blocks over the purple check paper as shown.
6. Stitch around the outer edge of the pink dot blocks.
7. Position the five blue blocks inside the pink dot blocks and glue or stitch in place.
8. Stitch the printed velum squares to the page using a straight stitch.
9. Scatter the flower buttons across the page and stitch in place.
